TWO CHLOES

**MORE THAN TWELVE THOUSAND
U.S. CHURCHES HAVE T&T™ CLUBS,
AND THAT'S NOT EVEN COUNTING THE THOUSANDS OF
CLUBS HELD IN OTHER COUNTRIES AROUND THE WORLD.**

THINK ABOUT IT — that's a whole bunch of kids.

What if you could meet one of those clubbers from SOMEWHERE ELSE?

Last summer a girl who lives near Glacier Park in Montana visited Awana® headquarters where we introduced her to a girl who lives in the Chicago suburbs.

Since one lives in a sort-of-small town in northern Montana and one lives in a city near Chicago and they had never met before, you might think they would be very different from each other.

Well, check this out ...

- They both have the same name: Chloe.
- They are both 11 (two months apart in age).
- They are both entering sixth grade. (Chloe from Chicago is homeschooled. Chloe from Montana attends a public school where her classes include skiing!)
- They both started Awana in Cubbies® and are now in their fourth T&T handbook.
- They both like Adventures in Odyssey®.
- They both like playing the guitar.
- They both trusted Christ at a young age.
- They both have moms who are T&T leaders.
- And even though Chloe from Chicago says John 3:16 is her favorite verse and Chloe from Montana says her favorite verse is Romans 3:23 — they BOTH know BOTH verses.

OK, we realize that every T&T clubber isn't an 11 year old named Chloe, but it's fun to think about all the different kids from all over the world who are learning God's Word!

When God tells us to obey our parents and to be honest and to have a good attitude, He is talking to

EVERYONE, not just kids who live in California or China or Cancun.

Maybe you know a clubber from somewhere in another state — or country. You can email us at Kidsprint@awana.org and tell us how the two of you're alike or how you're different.

Here's something else you can do. Pray for the clubbers in other churches. Pray that they'll be excited about memorizing God's Word and applying (doing what those verses say) to their own lives.

DID YOU KNOW?

- Awana has been around for more than 60 years.
- Awana started in Chicago.
- Art Rorheim, the Co-founder of Awana, is 93 years old and continues to come to work every week.
- Streamwood the Dog is named after Streamwood, Illinois where Awana Clubs™ International headquarters is located.
- Many of the people who work on staff were in Awana as kids.
- People who work at Awana headquarters memorize verses just like you do. They are assigned more than 30 verses a year — as many as are in your handbook.
- You can stop by and take a tour of Awana (just as Chloe from Montana did with her mom and brother last summer).

WHAT VERSE (OR VERSES) ARE YOU LEARNING THIS WEEK?

- Take a walk or have someone take you on a drive to find pictures that fit the verse.
- For instance, if you are learning Ephesians 6:1, you might take a picture of a younger brother or sister doing a chore (or have someone take a picture of you doing a chore).
- If you are learning Ephesians 2:8, you might take a picture of a gift.
- Taking pictures that represent the words in your verse will help you remember what you have learned.
