How many people are in your family?

Your family might be two — you and your mom, or you and your dad. Your family might be six — you, your mom and dad and three other brothers or sisters. Or maybe your grandma or grandpa live with you. You probably have many, many people in your family if you count all your aunts, uncles and cousins! There are so many different sizes of families, and they're all great!

God gave your family to you to love and protect you. He also gave your family to you so that you can learn to love others and be kind and thoughtful.

THIS WEEK, DO SOMETHING NICE FOR SOMEONE IN YOUR FAMILY.

Show the people in your family you love them. Pick up your dirty socks in your room so your mom doesn't have to pick them up. Is it your brother's turn to water the plants in the house? Offer to do it for him. That's called being thoughtful. Jesus is pleased when we are thoughtful and loving to the people in our family.
